## SPECIALTY CLASSES

(Specialty classes are run by sessions and not included with your Y membership. See Members Services Desk for Registration dates and Fees.)

**STOTT PILATES...(RUNS YEAR ROUND)** Whether you are working with a personal trainer, or in a small group, the aim of STOTT Pilates remains the same: using core strength, flexibility and endurance - without risking injury or building bulk. STOTT Pilates also helps restore the natural curves of the spine, relieve tension and enhance self-confidence. The result is a balanced and aligned body that looks fit... feels revitalized... and moves with ease. This class is ideal for all fitness levels from the person rehabbing, beginning exerciser, to the elite athlete. Check at Member Services Desk for session dates and registration info.

**TRX...(RUNS YEAR ROUND)** This class uses a TRX Suspension Trainer, which is a training tool that leverages gravity and the user's body weight. It develops strength, balance, flexibility, endurance and core stability simultaneously (plus burns fat)! Benefits people of all fitness levels (pro athletes to seniors). You control how easy or hard by where you stand. This is truly a fast, effective, total body strength training workout!

**TAEKWONDO...(RUNS YEAR ROUND)** Will assist participants in gaining flexibility, strength and skill, while incorporating discipline and control into the workout. Students will learn martial arts techniques as well as self-defense maneuvers. Taekwondo is appropriate for youth in kindergarten through adult, regardless of previous skill or aerobic ability. This class runs continuous throughout the year, paying monthly.

**BOOTCAMPS...(OFFERED PERIODICALLY-CHECK FOR DATES)**  
**EXAMPLES: CALIX, SWEAT, Muscle Hustle, Fit Family, and Lean & Mean)** Are you ready to get pushed out of your comfort zone? We offer many different formats of Bootcamp. Instructor will lead you through high intensity intervals of cardio and strength using your body weight and a variety of equipment. See individual flyers for format, dates and times.

**MELT WORKSHOP... (OFFERED MONTHLY-CHECK FOR DATES)** Based on the "Melt Method" Program. A form of self-therapy. Manipulating the body's connective tissue is believed to release trapped stress and restore the body's natural elasticity, which in turn eliminates pain.

**MELT FOAM ROLLER CLASSES...(OFFERED MONTHLY-CHECK FOR DATES)** After attending the MELT Workshop you may want to fine tune your technique, learn new techniques and start developing a personal program that will benefit you. Each class will be unique! These classes require some knowledge of Myofascial Release and a MELT foam roller.

**SPECIALTY CYCLING RIDES...** Watch for periodic one-time specialty Cycling rides to test your indoor riding talents.
