

WATER BABIES & AQUA TOTS

MONDAY & WEDNESDAY EVENING LESSONS

SESSION INFORMATION: (3 weeks, 6 lessons)

Water Babies (6-18mo.)
Parents and babies will explore introductory swim skills, basic swimming strokes and water safety. Parents will experience swimming with their student as well as be introduced to lifejackets. An instructor led class where parents learn to positively interact with their child in the water through swimming skill development and water play.
Safety Topic: submersion - 1-2x per week

Aqua Tots (18mo.-3 years)
Parents and Tots will explore introductory swim skills, basic swimming strokes and water safety. Parents will experience swimming with their student as well as be introduced to lifejackets. An instructor led class where parents learn to positively interact with their child in the water through swimming skill development and water play.
Safety Topic: ask permission
