

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

08/02/2021

Dear Warner Families,

It is our pleasure to continue operating a licensed YMCA after school program for the Warner community for the 2021-2022 school year. The goal of the School Age Program is to support the Y's mission of building strong kids, strong families, and strong communities by offering a unique after school program. The program helps to build children physically, emotionally, intellectually, and socially, while offering safe, positive, and enriching experiences for all youth.

The program offers a variety of activities specifically planned to supplement what the children are learning in their school day and to build self-confidence. Homework assistance and an after school snack are provided daily. We can be reached for daily communication at: warner@aberdeenymca.org

Activities Include

- S.T.E.M (Science, Technology, Engineering, Math)
- Homework Assistance
- Physical Fitness Gym Activities
- Arts & Crafts
- Character Development Activities
- Outside Play
- AND SO MUCH MORE...

The YMCA also offers additional care on-site at the Youth Development Center when school is not in session for an additional fee. Please see attached document for program pricing. If you wish to register for the after school program please email a completed request for admission to kjohnson@aberdeenymca.org to begin the registration process.

Thank you,

Kayley Johnson
Youth Development Center Director
